GREAT FIRE IN PHILADELPHIA, HERRINGS

Patent Champion Safes? J. L. DEPP. WHAT THE PEOPLE SAY. PHILADELPHIA, May 2, 1 : S. Parrels & Hyzerko - Gentlemen: The I ring Pat at Champion I ire-Proof Sate, which we purchased from so in the sponth of January last, was climated in our condition room, in the second story of 221 Market at., on the solid of the second story of 221 Market at., on the solid of the great fire, 1st Mr. Proo, and fell with the larent's building in that conflaggation.

The Safe was reached this afternoon, after an exposure of thirty-six hours to intense best, and, all hough the brassisten on the trout of the Safe were made and all noigh the brassisten on the trout of the Safe were inted and these trior shows the evidence of externach at, the finishe casting was found to be unfouched by Jyre, and, with the exception of being a little steamed, is now as good as new.

EHW. SEMANS & CO.

found to be unfouched by Are, and, with the exception of beling a little steamed, is now as good as near.

PRILADELENIA. May 2, 1866.

PRILADELENIA. May 3, 1866.

Messes Farrens & Hisbarts—Geallemen. The Herring Fatest Champion Fire-Proof safe of your manufacture, which we purchased nearly a year since, was in the covered for safe by HIBBITT & SON.

We had removed the great portion of our book before the fire-readed us, but left som of them, together with a numbered loose papers inside, purposely to lest the pourity of the Safe. After thirt, wight hours of severe roasility, we lound the interior of the Safe, upon opening, accomb which was senous, but the books and papers as free from fire as when first put in. right was somet, but many actions for the first path.

We shall require another safe as soon as we get a new location, and a sant none but your "champion."

A sure, &c.

G-IN DAILY JOURNAL IN WEEKLY JOURNAL.

LOUISVILLE.

WEDNESDAY, FEBRUARY 18, 1857. The Daily Journal has much the hint at his marriage, but many acts of his are show argest circulation in the city and double the circulation in the country of any other too, including his positive asseverations to the cf-daily paper printed in Louisville; and the feet that he did not intend ever to marry, as his Weekly Journal has much more than family had always been unfortunate in matrimony double the circulation of all the other his peculiar notions in regard to the rights of property, his determination to get Mrs. C. in some way or papers in Louisville put together.

THE PRIVATEERING QUESTION.—The National like character.

There is evidence of a very great interpretation of the control of th Intelligencer publishes a closely printed letter of four columns upon this question from Mr W. B. Law-tween Mrs. Cunningham and Eckel. Letters have ce, the editor and annotator of Wheaton, to Mr. I een addressed to her as "Mrs. Limma A. Eckel erett, who lately noticed Mr. Lawrence's edition of (Cunningham), 31 Bond street; her intimacy with Wheaton with special favor in the North American | Eckel was of such a reculiar and intimate kind as to pect, but it shows considerable familiarity with the tions to her were pointed and significant; and he actject, and is judicious and enlightened in its ed as if he was master of the house. They were of who modertakes to read it at all.

upon that condition. He thinks very justly that the that she was sitting in the parlor with Mr. E. kel. so largely curtailed the operations of privateers that, domestic, and, when she came up, gave dire

rivateering has not, it is not too much to say, a ing abstract of his testi ongle advocate in the Union." But Mr. Lawrence f the most respectable papers in the country, and ves mos upbraidingly at the Government for inprivateering a scandalons practic lyan ages it involves. And the venerable Na-Intelligencer itself, which Mr. Lawr he mad intimated, about the time of the pulken, the same opinion. And it is rd's probable that these highly respectable and Wr. Mare | amendment. And, thus enlarged, we vin f v of it. We have long since recorded our

or appears. We know they are good, and that there is no means of avoiding the payment of interest or in one ans of avoiding the payment of interest or in a physician to his patients. Any violation of this act is to be punished by the imposition of a line of first delivered on the nuthrity of a written prescription of a may appears. We know they are good, and that there is no means of avoiding the payment of interest or interest payable semi-annually in New York.

Comparing the product of these bonds with the ordinary mode of loaning money by the yearly payment or the first and then the preas of New York seize pon some such crime and give to it a per that makes it the great feature of the new per world. It is made the thene of every or and firested gathering in the country, and public or 'ty' intensely excited. A few years ago the payment is a series of the horr de, mysterious, and public or 'ty' intensely excited. A few years ago the payment are the sum paid for a hond will git he fact that was occored with a series of the day. The mysterious are related to the murder of Helen Jewett, and subsequently it was 'riod with the horrd details of the butchery of Adams y Colt and now it runs riot over the mystery of the kills of Burdell.

In stoom readers who have heard so much in the country cours have it and the payment of the holder, convertible into the stock of the company hay, dollar for oddlar, at any time within seven in the stock of the company hay the payment of the country largest the payment of the country to our readers who have heard so much and the product and the payment of the country cours have it is a few for the horse of the holder, convertible into the stock of the company hay the payment of the holder, convertible into the stock of the company hay the payment of the holder, convertible into the stock of the company hay the payment of the holder, convertible into the stock of the company hay the payment

Adams y Colt and now it runs riot over the mystry of the kill of Birdell.

In story of the kill of Birdell.

In story readers who have heard so much of it can we give a life statement of the circums a state of the correction of the bolder of the bonds to watch the running and the course of business of the road, and, if it is found get rivres in the section of the trait was really to be patied. He had to the bonds to watch the running and the course of business of the road, and, if it is found get rivres in the section of the correction of the bonds to watch the running and the course of business of the road, and, if it is found get rivres in the section of the last 45 feet, the boring has been effected through gold bearing quartz.

A Troy paper save, that, "during the recent described in the trait was really to be patied. He had to carried on Tuesday evening, and of carried course could not be press to claim his bride. His outlay. A parchase made uow of one hundred and into the stock of the company to the course of the bonds to watch the running man the course of business of the road, and, if it is found get to be usaried on Tuesday evening, and of carried course could not be press to claim his bride. His outlay. A parchase made uow of one hundred and into the stock of the company to the last 45 feet, the boring has been effected through the loader of the bonds to watch the running man the trait was really to be patient. The had trait was really to be patient. He had the state of the course of the state of the course of the

How it Wavis.—Our readers must of course feel a lively interest in the manner in which the flag of the brave is uphell. About a half square from our office we see daily a tattered ensign kissing the dailying broezer—at the recruiting station. It does not make much of a wave, considering its history but perhaps there is nothing inspiring in these peaceful flaunts of the banner of liberty.

Major Hardley, a gallant officer, has charge f the station in this city. There is also stationed here Capt. Bountycastle, of the Fourth Infantry. He has lately been on service in Oregon and Washington Territories, and had the misfortune of knowing John Phornix, alias Lient, G. H. Derby, of the U. S. Teopographical Lingineers.
